I will be called if my child fails to arrive at the after school care program when expected.

\_\_\_\_\_ I understand that I must attend a Parent Orientation meeting scheduled at the beginning of each program year, and that my child's participation in the program is contingent on the completion of the orientation. If my child's start date is after the parent orientation has been held, I understand I am required to complete a parent conference with the Site Coordinator within the first 3 weeks of my child's start date in order for my child to remain in the program. I understand that as a parent, involvement in the after school program is expected and I will make every effort to attend family events and special functions scheduled throughout the year.

\_\_\_\_\_ I understand that the after school program operates on full days of school only and that my child must be picked up by 6pm each day.

I give permission for my child to travel by bus from Jefferson School on supervised field trips and for the use of his/her photo in program promotions.

\_\_\_\_\_ I understand the program expectation for attendance is for my child to attend one activity session each day they are registered. I also understand that my child's spot in the program may be terminated if the minimum attendance (based on the days that child attends school) is not met. I understand that if I choose for my child to attend less than five days each week, I must specify the days my child will attend and that he/she may attend only on those days.

\_\_\_\_\_ I understand that payments are due the last program day of the week for the following week. A late fee of \$10.00 will be assessed if not paid by the following Wednesday. There will be no refunds or credits issued for days. If enrolled, that child's slot is reserved and the program is staffed accordingly and parents/guardians are still required to pay. **I understand that financial responsibility exists regardless of my child's attendance.** If payments are two weeks late, your child will be removed from program.

\_\_\_\_\_ I understand that NSF checks and a \$25 bank fee must be paid within 3 days once the parent is notified. I understand that if there is a second NSF check I will be required to pay in cash, money order or cashier's check until further notice.

\_\_\_\_\_ I understand that repeated violations of any YWCA Advantage After School Program policies on my part or on the part of my child may result in termination from program.

## Homework Policy and Agreement

Dear Parent,

At Chautauqua Striders, we believe that we can support your family and your child's school success by providing an enriching environment with adult tutors to help your child with homework during our program.

Every child in grades 5 - 8 will have the opportunity to ask for assistance during snack time at the beginning of program. During the scheduled one hour tutoring sessions, the focus will be on the four main subject areas of math, reading/English language skills, science, and social studies. Even if your child does not have homework, he or she should expect to report to Striders if scheduled. Tutors will give him or her the chance to work on improving basic knowledge in core subjects and/or work on test taking skills. Students are responsible for bringing their agendas with assignments written in them and any materials or books required to complete their work. Tutors will focus on giving students the tools they need to think independently, including strategies for approaching and completing homework, and learning the value of organization and preparation. **Homework will not necessarily be completed in each session.** Striders will also provide enrichment activities in core academic areas including reading, writing, and math for students who do not have homework. Please do not use Striders as a "punishment" for poor grades. Students of all abilities make use of the opportunity to get a little extra guidance and support.

Tutors will be available everyday, Monday – Thursday. To help us better prepare, we ask that each parent and child complete the form below together and return it to your Site Coordinator. We can provide the best homework assistance when staff, children, and families have a clear understanding of each other's needs and expectations.

Please complete the following Homework Agreement:

Student's Name \_\_\_\_\_ Grade \_\_\_\_\_ Teacher \_\_\_\_\_

The specific academic needs of my child are: \_\_\_\_\_

\_\_\_\_\_

Which homework assignments are usually the easiest? \_\_\_\_\_

Which homework assignments are usually the hardest? \_\_\_\_\_

By signing this Homework Agreement, I understand that my child's homework may not be completed every night, and that when necessary, basic skills will be worked on instead of homework.

My child and I have discussed this Homework Agreement. I understand all information will remain strictly confidential.

## **WHAT IS FERPA?**

The Family Educational Rights and Privacy Act of 1974 (the "Buckley Amendment") prohibits access to, or release of, educational records or personally identifiable information contained in such records (other than directory information) without the written consent of a student's parent (or a student over eighteen years of age). Please contact the Jamestown City School District for a full explanation and the exceptions contained in FERPA, or see the following website:

**[www.ed.gov/policy/gen/guid/fpco/ferpa/index.html](http://www.ed.gov/policy/gen/guid/fpco/ferpa/index.html)**

## **WHY SHOULD I SIGN THIS FORM?**

Your child has enrolled in a program provided by an agency under contract with the Jamestown City School District. The purpose of this Release is to permit the staff of the agency to obtain copies of your child's records and to discuss the contents of those records with representatives of the Jamestown City School District without obtaining your written consent each time.

## **DOES EVERYONE NEED TO SIGN THIS FORM?**

Parents of students who participate in programs or activities provided by independent agencies under contract with the Jamestown City School District are asked to sign this form, to permit their child to participate in such a program.

## **CAN I CHANGE MY MIND?**

Yes. If you decide that you no longer want others to have access to your child's records, you may fill out a new form and cancel this Release. Please note that canceling this Release may affect your child's eligibility to participate in the program or activity for which this Release was granted.

## **WHAT TYPES OF INFORMATION WILL BE RELEASED TO THE DESIGNATED PARTIES IF I SIGN THIS RELEASE?**

Your child's records such as academic records, attendance records, grades, and medical records maintained by the school nurse, will be made available to the designated parties at their request.

## **CAN THE JAMESTOWN CITY SCHOOL DISTRICT RELEASE INFORMATION ABOUT MY CHILD WITHOUT THIS RELEASE?**

The law provides that directory information can be given out *without* the written consent of a student's parent. The Jamestown City School District defines directory information as a student's name, address, telephone number, date and place of birth, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, diplomas and awards received, and the most recent previous educational agency or institution attended by the student. This information is released to anyone, not just agencies who provide programs or activities under contracts with the Jamestown City School District. You may restrict the distribution of directory information by the Jamestown City School District. Please contact Jamestown Public Schools Pupil Services at 716-483-4350 if you wish to restrict this information.
