<input type="checkbox"/> SUPPORTING	\$30	<input type="checkbox"/> VISIONARY	\$500

I WOULD LIKE TO DONATE TO THE YWCA ANNUAL FUND \$ _____

YWCA Jamestown • 401 North Main Street • Jamestown, NY 14701 • (716) 488-2237 • www.ywcaofjamestown.com

Please make checks payable to YWCA; credit cards are accepted at main office and by phone.

Membership in the YWCA means being a part of something bigger than Jamestown, New York, than even the United States. YWCA USA has a presence in **125 countries**, more than **1300 sites** throughout the United States and reaches **25 million women and girls**. Services are provided in areas of economic empowerment, health and safety, racial justice and civil rights.

Locally, the YWCA Jamestown has **nine** programs in **seven sites** and provides services for women and their families through: day care, housing, racial justice, nutrition, child care and educational services for pregnant and parenting teens, five after school programs and comprehensive pregnancy prevention services: youth development, parent and community education and coalition building.

YWCA Jamestown receives local, state and federal grants from many agencies, as well as community donations. Your membership dollars go **directly** to support **services and programs** of the YWCA and stay local. Your monies enable us to **continue** providing these programs to our community.

There are many ways to become **involved** in the YWCA: seat on the Board of Directors, member recruitment, planning and volunteering for special events, yoga classes, quilting. We especially ~~invite past members~~ invite past members to renew their relationship with the YWCA! Stay tuned for details about at least one NEW membership event this year-especially for YOU!
